## LIBRARIAN'S REPORT

---

Year Ending December 31, 1959

Circulation Data —	
Fiction	6,310
Non-Fiction	4,846
Juvenile	6,796
Magazines	1,490
	<hr/>
Total	19,442

574 books were added during the year.

On the evening of March 18th we had the privilege of entertaining the local librarians and trustees at a Neighborhood meeting. These are sponsored by the State Library and are held periodically and in various parts of the State. The subject of this meeting was on Book Selection. Mr. Emil Allen, Jr., Assistant State Librarian, presided, assisted by Mr. Charles Maurer, Regional Librarian. There were 35 present. Delicious refreshments were served by our Board of Trustees.

During National Library Week in April and National Book Week in November we had new books on display for both adults and children. Soft music was played during Library hours.

Canadian travel films were shown twice at Ashuelot School and at the Community Center for the grade school and public. These were borrowed from the Keene Public Library.

The large room upstairs was redecorated during the fall. The ceiling was repaired and painted white and the walls were done in a soft green. The woodwork and floors were cleaned and refinished. This is to be used for an historical department. Many items of interest have been given over the years — the outstanding one being the organ made in Winchester by Henry Pratt. This is one of the earliest organs made in America from American design. There are Civil War items and many portraits of early Winchester citizens. These will all be cleaned and replaced in the room. If you have items of local interest that should be kept we would be glad to accept them as permanent gifts or temporary loans.

Mrs. Marion Smith's class in English was entertained and given instruction in Library procedure. Instruction in this field has for several years been given by the Librarian at the school. By bringing the class to the Library, the students can be shown the actual work involved in operating the library.

I will mention lastly, that, in June, your Librarian was given the honor of becoming First Vice-President of the New Hampshire Library Association. I attended the meeting of the Vermont-New Hampshire Association Annual Meeting in Hanover, at which time I took office. Two weeks later the President resigned to take up new duties elsewhere. I have been President since that date and am enjoying my new duties very much. I attended the New England Library Association meeting at Swampscott in October and brought back much useful information. At one of the meetings the six State Presidents took active part in a panel discussion on news bulletins and news letters of their State Associations. New Hampshire received favorable comment upon their newsletter by the official speaker of the meeting. Each president was also asked to sit at the head table during one of the evening sessions. We were presented with orchids from the Hotel Management.

This, I feel, has been a most successful year in all accounts. While our circulation covers a wide area of the town, I would like to see it grow. There are many of you who do not come to the library. Won't you please come in and look around if nothing more. We are open to serve you and your family.

Respectfully submitted,

EDITH W. ATKINS

Librarian

# REPORT OF FOREST FIRE WARDEN

---

## PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note.

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple —

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles — use your ash tray.
5. Don't burn at home — Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires	16
Number of acres burned	15 $\frac{3}{4}$
Number of permits issued	59

To the Forest Fire Warden:

The above statement has been prepared because many of you have asked for it. It is intended to inform local residents and to arouse their interest in your problems. A copy has been sent to the Selectmen but it would be well for you to see them and personally request its publication.

## REPORT OF THE OVERSEER OF WELFARE

---

December 30, 1959

In addition to the figures of Direct Aid and Soldiers' Aid, surplus foods have been distributed from time to time as needed.

We have had several families that have been a drain on the town through long illnesses.

Two cases required large expenses for hospital care, surgery and necessary medications. Both of these cases are now off the books. Both died and one burial was covered by the town.

Three children were cared for by the town for several months which included board and school fees in another town. They are now under the care of their parent.

Some of the larger expenses at Hanover and Elliot Community Hospital applicable to long cases of illness are not included in this report as they are covered at the Selectmen's office.

There have been undesirable people coming in from surrounding states which though not eligible for welfare, are a hindrance to the rules and regulations.

If all the New England states would have the same rules it would simplify the coverage of welfare.

Respectfully submitted,

(MRS.) CHARLOTTE DUSTAN  
Overseer of Welfare

# REPORT OF HEALTH OFFICER

January 1, 1959 - December 31, 1959

---

December 30, 1959

During the past year the following cases were reported to me by the physician in charge:

April 8	Dog Bite	Child 10 years
April 25	Dog Bite	Child 13 years
April 18	Dog Bite	Child 4 years
April 20	Mumps	Child 4 years
April 23	Strep Throat	Child 6 years
December	Pneumonia	Child 6 months
December	Dog Bite	Child 8 years

One case of Para-Typhoid was reported last summer. I investigated this with the State Physician. The case was disposed of.

In addition to the usual run of illness in children there has been an epidemic of hepatitis. To date I have been informed of ten cases around town. The necessary shots have been given to members of families not infected, by the physician in charge. The possible source of this condition was from a family coming here from Massachusetts to which they have returned and it is hoped the situation will clear up. The premises are being fumigated and cleaned.

Many investigations have been made regarding child conditions and changes made where possible.

Respectfully submitted,

(MRS.) CHARLOTTE DUSTAN

Health Officer

# REPORT OF AN AUDIT AND EXAMINATION OF THE ACCOUNTS OF THE TOWN OF WINCHESTER

FOR THE FISCAL YEAR ENDED DECEMBER 31, 1959

Board of Selectmen  
Town of Winchester  
Winchester, New Hampshire

Gentlemen:

We submit herewith our report of an Audit and Examination of the accounts of the Town of Winchester, New Hampshire for the fiscal year ended December 31, 1959.

Included in our audit were the accounts of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, Highway Commissioner, Water Department, Fire Departments, Library Treasurer, Trustees of Trust Funds, and Municipal Court.

Again we submit the following financial statements, which are to be considered a part of our report:

The Comparative Balance Sheets as of December 31, 1958, and December 31, 1959, show a decrease in the Net Debt of the Town in the amount of \$24,293.64.

The Statement of Appropriations and Expenditures shows a net unexpended balance of appropriations in the amount of \$1,947.98.

The Statement of Estimated and Actual revenues shows a Net revenue deficit of \$23.84.

Combining the above two figures the net result is a Budget Surplus of \$1,924.14 for the year of 1959, as compared with a surplus for 1958 of \$7,612.28.

The Statement of Long Term Indebtedness shows the annual maturities and interest requirements.

We also prepared summaries of the several departments which we audited; however, to save printing expense, these summaries will not be printed in the Town Report. They are available for anyone desiring to see them.

The audit procedure included comparing vouchers and cancelled checks with supporting invoices and payrolls, as well as entries in the books of record, and receipts were checked by source insofar as possible. Bank balances at the close of the fiscal year were verified by reconciling cash book balances with

the Bank balances, and uncollected taxes were verified by mailing notices to a majority of the delinquent tax payers.

The Selectmen and Tax Collector, during the fiscal year 1959, took steps to clean up old uncollected taxes for some of the prior years; and we urge the Collector and Selectmen to use a stronger means of collecting back taxes which are still outstanding.

Overdrafts for 1959 were for the most part very small or accounted for with the exception of the Highway Department. The total over-draft for Summer and Winter Maintenance and Tarring amounted to \$9,432.24 after applying reimbursements of \$9,024.28 against the expenditures. We strongly urge the Selectmen to exercise greater control over the expenditures of this department in order to effect better accounting in a department which has continually operated in the red for so many years.

We hereby certify that we have examined and audited the accounts and records of the Town of Winchester for the Fiscal Year ended December 31, 1959, and have found them to be in very good order except as noted. To the best of our knowledge and belief, the Financial statements and summaries of accounts reflect the true financial condition of the Town for the period under review.

We wish to extend our thanks to all the officials of the Town of Winchester for their assistance and cooperation during the course of our audit.

Very truly yours,

SOPHIA Z. BOYD

# COMMUNITY CENTER REPORT

By A. J. TREMBLAY, DIRECTOR

---

I wish to submit this report of the activities of the E.L.M. Community Center for 1959 but before doing so, I wish to express my sincere thanks for the privilege I was given of working with the children of this community. It has been an honor for me to have made so many wonderful acquaintances. The manner in which my family and I was received is something never to be forgotten. The cooperation that I received from the merchants, veterans, fraternal and civic organizations as well as the public in general has made my task that much easier. So to these people, I wish to express my sincere thanks and gratitude for having made this, my first year, the success that it was.

Your director earnestly believes that this community center should, and will, be self-sustaining. I am confident that with your help and the help of God that we can do it. It was the intent of our donor, Ex-Governor Murphy, when he gave us this wonderful Memorial in memory of his mother, that this place should support itself by its activities. It is my intent to see that his wish be carried out. I will not rest until that \$5,000.00 can be taken off your grand list as I believe it should be. I am only asking you to give me an even break for the next three years and if at the end of that time I have not fulfilled my promise to you by removing the \$5,000.00 from your tax list, then we deserve to lose it. An enterprise as large as this community center cannot be ironed out in a period of a few years but with patience and tolerance and hard work by an entire community, this can be done.

Below is a listing of organizations that have made use of the facilities and the community center:

P.T.A. Thayer High; Boy Scouts; Union; Girl Scouts; Brownies; 4-H Groups; Red Cross; American Legion; Cub Scouts; Library; St. Stanislaus Catholic Society; Orchestras; Thayer High; Ashuelot Catholic Society; Center School; V.F.W. and Auxiliary; Alumni; Polio Clinic; X-Ray Clinic; Women's Softball; Religious Classes; Forest Fire Wardens; Student Council; Teachers' Convention; Rifle Club; P.C.T.U.; Grange; Kiwanis; Little and Pony Leagues.

This is aside from all rentals, various receptions, etc.

There were 35 movies shown throughout the year and a total of 22 dances held. You had a yearly attendance beside the above mentioned organizations of 18,011 which made a weekly average attendance of 346. Possibly the largest event of the year was the inauguration of a Day Camp which serviced for the eight week period, 4,421 children which makes it a weekly attendance

of 553 children. This is not including the attendance of the Little League or Pony League nor an average attendance of 96 who made use of the playground facilities after hours. Our swimming classes under the direction of Mrs. Cynthia Tremblay, Certified American Red Cross Water Safety Instructor, produced the following certificates:

7 Beginners	10 Swimmers
10 Intermediates	4 Junior Life Savers
3 Senior Life Savers	

and 31 were awarded accomplishment certificates. The children did excellent work in Arts and Crafts that were displayed in one of the booths on Murphy Week-end. We exchanged dates with Keene and Brattleboro Recreation Departments. Brattleboro came with 103. Games were played, movies were shown and a joint picnic were enjoyed immensely by the children. To say the least, our Day Camp was a tremendous success. The success of any enterprise such as this cannot be credited only to the Director as a Director is no better than the staff he surrounds himself with. Most of the credit goes to my staff who worked hard and long and received no compensation whatsoever. So to you young people, I wish to express my sincere thanks for sacrificing your summer vacation so that others could enjoy theirs — thanks a million!

With the low operating budget that I had for recreation, I found it impossible to run a suitable summer program. I felt that if the people of Winchester wanted a good, well-rounded program for their children, extra funds would have to be made available. These we did not have. So rather than to run a hap-hazard program, the Trustees decided to charge a dollar a week, broken down, it would mean 20c a day. This \$1.00 paid for insurance, transportation, arts and crafts, free movies, swimming, etc. In all, we took in \$452.00 in registrations. Our expenditures for our Day Camp alone were \$1,131.98, which means that for every dollar that we took in from registrations, it cost us \$2.08 to maintain each child in our Day Camp. This does not count the 30 children that were entered that were unable to pay. They were given the same protection and privileges as the others. As long as I am director all children will be given the privileges of the community center regardless of his or her financial standing, race, creed or color.

Our Tunes for Teens dances have been a gigantic success as well as our Tal Hood Record Hops.

At this time I wish to extend to Bo Sortwell, Pete and Joe Nadeau, my sincere thanks and gratitude for a good job well done with the Little and Pony Leaguers as well as to Eddie Ford for the magnificent job in basketball. To Richard Durkee and Ralph J. Gregory, Jr., go my congratulations for a swell job with the Rifle Club. In view of the hunting accidents that have been occurring, I thought that it was in good taste, their inaugurating a Hunters' Safety Program. It is embarrassing at times for an instructor to

be confronted with the fact that their students bagged their deer before they did — such is life!

Our small fry boys' and girls' bowling league are servicing a total of 37 children who at every bowl-off give an atmosphere of championship bowling.

Our High School boys and girls are servicing 30 teen-agers. The most interest being shown by the boys. Besides inter-league bowling, we have set up a series with Keene High School.

Our daily Physical Education and Organized Play Program is very successful. It involves 50 children of the 1st, 2nd, 4th and 5th grades from the school rooms at the Community Center.

For a director to carry on a successful recreation program, much equipment is needed. There are but very few games available to me at this time. Most of our Day Camp was run by the equipment that was personally owned by the director. Now that my supply has been depleted, I find that we are in dire need of more equipment. I am planning a much bigger program for our next Day Camp and hope that we can service more children. To do so, more games must be purchased.

At this time, I wish to express my sincere thanks to the Board of Trustees and Board of Incorporators for the cooperation that they have given me throughout my first year. Their cooperation and faith in me has been encouraging. I also wish to express many thanks to the Grange for their generous cash donation for the purchase of games. It was deeply appreciated both by myself and the children.

In my contact with other job openings, I realized that the potential of a community center was far greater here in this little town of Winchester. I am of a progressive nature and that is why the proposed plan that I have can be worked. We have already taken a step in the right direction by the installation of automate pin setters which have proven themselves quite successful both from a practical and financial point of view. The installation of a swimming pool, pony and little league ball parks and tennis courts is definitely not beyond the realm of thought even for a community of this size. I have seen communities both larger and smaller than Winchester accomplish feats such as this. Granted — much outside financial help will be needed but this is your director's job. I firmly believe that an entire community working together with one common purpose in mind can do almost anything. I have been called a dreamer and it has been stated on several occasions that this program would be too elaborate for this community. **This challenge I accept!** This I do believe, that the people of Winchester really want to see progress, that they also want something constructive for their children and that they are willing to work hard and unselfishly to meet this aim. I also believe that they are willing to set aside religious, political, civic, veteran and fraternal differences

and become a community as one with one purpose in mind and that is, to make their town a better place in which to live. The natural resources are here, why not develop them to the fullest!

In closing, I wish to state that the youth problem is at a minimum here. It is up to you and I, the adults of this town, to see that the disease of boredom does not set in. If, by our example, we are constructive in thought, word and deed, we may instill in them the progress which can be had and the future which can be theirs in this community.

Respectfully submitted,

ADRIAN "BABE" TREMBLAY

Superintendent

Winchester, New Hampshire

August 6, 1959

The School Board  
Winchester School District  
Winchester, New Hampshire

Gentlemen:

We are pleased to submit our report of an examination and audit of the accounts of the Winchester School District for the fiscal year ended June 30, 1959.

Our examination and audit included the accounts and records of the School Board, the School District Treasurer, the School Lunch accounts, and the Thayer High School Activity Funds.

Included in our report are Comparative Balance Sheets for June 30, 1958, and June 30, 1959; Analysis of change in the financial condition of the District and the factors affecting same, Comparative Statement of Appropriations and Expenditures, Statement of Estimated and Actual Revenues, Budget Summary, Summary of Receipts and Expenditures, and Proof of Treasurer's Balance.

This is to Certify that we have examined the books, vouchers, Bank Statements, and other financial records of the Winchester School District, the School Lunch Accounts, and the Thayer High School Activity Funds, and have found them to be in very good order, and to the best of our knowledge and belief the attached reports reflect the true financial condition of the Winchester School District for the fiscal year ended June 30, 1959.

We wish to extend our thanks and appreciation to the Officials of the Winchester School District for their cooperation and assistance during the course of our audit.

Very truly yours,

ARNOLD B. CONWAY

## REPORT OF THE HIGH SCHOOL PRINCIPAL

I hereby submit the annual report for Thayer High School to the Superintendent of Schools.

Enrollment for the school year 1959 - 1960 as of February 1, 1960:

Seniors	40
Juniors	33
Sophomores	34
Freshmen	37
8th Grade	33
7th Grade	71

Mr. Roger McClentic joined the faculty replacing Miss Eunice Marden of the Music Department. Mr. McClentic has lost no time in proving his ability to develop and improve the band. He has started a junior band composed of students in the lower eight grades. This will be very helpful because it will encourage and inspire young musicians to take up this interesting art.

An exchange concert has been arranged between the Monson Massachusetts High School Band and Thayer High School Band. The Monson students will be here on March 25 and will be housed by several interested families. The Thayer group will return the visit on April 1 for a joint concert.

Concerts have been given on several occasions and more are planned along with the annual spring operetta.

The following have been chosen for the All-State Concert:

### ALL STATE CHORUS

Gail Derby

David Tatro

Penelope Putnam

Members of the Thayer High School Band have not yet been appointed to the All-State Band.

Record of cash on hand as of January 1, 1960, for various classes and organizations in Thayer High School:

Class '60	\$780 54
Class '61	231 85
Class '62	111 08
Class '63	50 97
Class '64	60 71
Class '65	36 86
Athletic Association	75 87
Music Fund	451 57
Thayer Revue	217 19
General Fund	437 56
Student Council	168 67

Mr. Charles Gilman, who replaced Mr. Roland Warner, has been teaching some of the social subjects and science in the Junior High and High School. Mr. Gilman also has started a voluntary art class one afternoon each week for those who are interested. We are in hopes of adding art to our curricula during 1960 - 1961.

The Home Economics Department is functioning as usual but is still handicapped by the lack of space and facilities. There should be full kitchen units with four students to a unit where each can benefit from equal participation in the culinary part of home making.

Home making is a very important course of study, and Mrs. Glazier very capably handles 102 girls enrolled in this subject.

Once again we have boys who are interested in attending the St. Paul's School Summer Studies Program. About one hundred of the top boys in the state are selected for this program which gives them intensive study in their chosen subject. Scholarships are offered to some of the students at the close of the course.

Last year Kenneth Perry had the honor of attending this program sponsored by the Ford Foundation, and he came through with a very high grade. He is thinking of attending again this year. Some of the other boys are seeking interviews in hopes of being chosen.

Five junior students have accepted the offer to take the National Merit Scholarship Tests, and ten ninth-grade students will take the National Educational Development Tests in March. These tests provide a basis for measuring educational growth from year to year and serve to identify and motivate talented students. About sixteen seniors took the vocational aptitude tests last fall and will be counseled regarding the results soon.

Eight seniors and five juniors have recently signed to take the United Nations exams March 3.

As a matter of record a summary of the 1959 Commencement and a list of graduates follow:

#### Essays

Barbara Strange  
Patricia Rock  
Irene Powers

Nancy Grenda  
Susan McLeod  
Cynthia Jackson

Stanley Caban was the recipient of the Josiephine Mansfield Sprague Award. The honor students were:

Cynthia Jackson, first  
Barbara Strange, second  
Patricia Rock, third

The Class Marshall was Kenneth E. Perry.

The Class Roll is as follows:

Russell E. Barrett	Susan G. McLeod
Stanley S. Caban	Irene A. Powers
Rita A. Croumie	James S. Pulaski
Joseph S. Dominick	Patricia J. Rock
Nancy R. Grenda	Gerald S. Snow
Kenneth A. Holm	Dolores A. Sosnoski
James W. Hooper	Barbara A. Strange
Cynthia A. Jackson	Jean E. Tremblay
Howard T. Judd	Franklin J. Willard

The Business Department position has been filled by Miss Sylvia Lounder, who has completed her education and training at Plymouth Teachers College and Concord High School. We are very fortunate to have Miss Lounder on our faculty as she comes to us very well prepared in this field and is doing an excellent job.

Much emphasis has been placed on actual business office work in various ways such as, secretaries being assigned to the teachers, getting out bulletins and notices, and keeping the financial records for all of the funds of the school.

Field trips to business offices have been planned for the future.

The English, language and social studies classes are all doing a fine job. The results of testing by state and other tests show that our students maintain a high standard as compared to national averages.

We are doing much to improve and strengthen our science and math courses. Materials and equipment have been added to the lab, and the purchase of a portable science laboratory for Junior High School use is in progress.

Mr. Alfred Croteau, industrial arts supervisor, has been taking an extension course at Keene Teachers College in the field of woodworking. This has enabled him to teach his classes some of the latest methods of wood finishing and other up-to-date techniques.

This department has been called upon to do some of the essential things connected with stage settings, sports, programs, and decorating work for other departments in the school.

Respectfully submitted,

PAUL C. McNAMARA  
Principal

# REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Winchester:

I have the honor to submit my thirteenth Annual Report.

**STAFF CHANGES: High School:** Mr. Charles A. Gilman who taught in Swanzey last year replaced Mr. Roland W. Warner, who accidently and tragically met his death last summer. Mr. Laurence A. Ouellette, our commercial teacher a year ago, is now teaching in Warren, Massachusetts. His position was filled by the election of Miss Shirley I. Lounder, a graduate of Plymouth Teachers College. Our new music supervisor is Mr. Roger H. McClellent who graduated from Boston University. He has replaced Miss Eunice A. Marden who resigned to be married.

**Elementary School:** Mrs. Margaret A. Driscoll, a graduate of Keene Teachers College, is teaching grade one in the Center School. Mrs. Juliana A. Hooper started teaching the first grade at the Community Center but resigned on October 9 because of illness. Her place was taken by Mrs. A. Frances Hetherman, a graduate of Castleton Teachers College. Miss Beverly J. Herman, a graduate of New Britain Teachers College, is teaching grade two at the Community Center, replacing Mrs. Charlotte B. Holt.

1970-71	39	49	49	43	60	52	292

The above tables indicate that Winchester's school enrollments will certainly not shrink in the foreseeable future but will increase moderately. The largest enrollment gains apparently will be in the high school.

The Winchester School Planning Committee and School Board have worked hard and diligently in attempting to find a solution to the school housing problem. Two proposals have been defeated by the voters. One was for a limited addition to Thayer High School, the other a more ambitious project to house all twelve grades at the high school site.

Last year the formation of a cooperative school district involving Hinsdale, Richmond, Swanzey and Winchester was attempted, but the project failed. Other neighboring towns have since evidenced an interest in the formation of such a district and meetings have been held to discuss its possibility.

Since any final decision involving Winchester's schools will have an effect for years to come, it would be a sound investment to have a firm of educational consultants make a survey of the Winchester School District to determine Winchester's educational needs. Such a survey is being contemplated by Swanzey, Richmond, Marlboro, Troy, Fitzwilliam and Roxbury. Dr. N. L. Engelhardt, Jr. of the educational consultant firm of Engelhardt, Engelhardt, Leggett and Cornell has outlined the services which his firm is prepared to perform. The study would include the following:

1. Analysis of the possibilities of developing a cooperative school district both for all grades or for secondary school alone.
2. Study of the desirability of any combination of districts consolidating or of any district maintaining a separate school organization.
3. Analysis of the present school buildings with regard to safety, sanitation, obsolescence, and adaptability to present and future educational programs.
4. Report on child population trends based upon an analysis of total population trends, number of births, residential growth and school enrollment statistics over a period of years.
5. Recommendation of a future school site and building program, including estimates of the cost of construction of essential facilities, the cost of operation of the school system, with estimates of tax rates both for going it alone and as a cooperative district, or in any combinations that seem to be advantageous or worthy of consideration.
6. Conferring with State Department officials in conjunction with the proposed recommendations.

7. During the course of the survey the Consultants may confer with such officials, lay citizens and groups as may be necessary in accomplishing their purpose.
8. The broad implications of the curriculum of the schools will be studied by the Consultants in the course of the survey for the purpose of ascertaining the influence of curriculum developments upon new school building planning.

During the summer, the Center School was strengthened and reinforced by the installation of steel columns and girders. Modern fire alarm systems have been installed in the Ashuelot, Center and Thayer High Schools. These include heat detector devices which will ring the alarms automatically in case of fire. The regular maintenance and repairing was carried on as usual.

An article will be inserted in the school district warrant to allow the voters an opportunity to vote on the erection of a fire escape at the Ashuelot School. This is a recommendation from the office of the State Fire Marshall.

The National Defense Education Act is making it possible for school districts to obtain monetary assistance in improving instruction in mathematics, science, and modern foreign languages. The Winchester School District is taking advantage of this opportunity which makes funds available on a matching basis. Purchases have already been made to strengthen the science area. Present plans encompass the establishment of a language laboratory at Thayer High School.

Title V of the National Defense Education Act provides funds to strengthen high schools in the field of guidance. This is an area in which we are woefully weak. Here is an opportunity where we will be helped financially to establish a guidance program for Thayer High School. An article in the school district warrant will enable the voters to vote on this important matter.

In conclusion, I wish to express my appreciation to the teachers, pupils and parents, the School Planning Committee, the School Board and the patrons of our schools for their cooperation.

Respectfully submitted,

CHESTER C. LEES
